Together, we're investing in the future of West O'ahu.

Mahalo for your support! The Kapolei Chamber of Commerce works on behalf of our members and the broader business community to strengthen the regional and state economy and help West O'ahu businesses thrive. A portion of today's tournament proceeds benefits the UH West O'ahu Career & Innovation Fund, a Kapolei Chamber initiative in partnership with UH West O'ahu that connects students with local industry through hands-on, career-focused opportunities.
